### How Your Gift Supports

For the past 100 years it has been the mission of the Boy Scouts of America to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law. In order for the Baden-Powell Council to continue its mission for its youth we need to raise \$175 per youth member in 2011. A breakdown of operation expenses and income is as follows:

A member of the United Ways of Broome, Cortland, Susquehanna and Tioga Counties,

Scouting is a good investment in today's youth.

The Boy Scouts of America emphasize lifelong values of community service, fitness, leadership, character, and personal achievement. Research shows, that Scouting has a positive impact and boys with at least five years of Scouting are more likely to:

- Assume leadership roles.
- Have higher self-confidence.
- Resist negative peer pressure.
- Consider the needs of others first.
- Graduate from college.
- Earn higher income.
- Highly value family relationships.
- Enjoy strong and lasting friendships.

## What is Friends of Scouting?

When a boy joins Scouting he pays a \$15 national fee which goes directly to support the services we receive from our National Council. In order to keep Scouting affordable for all youth; in lieu of a local fee we run an annual Friends of Scouting Campaign to raise support. This campaign is an opportunity for families, friends, alumni, businesses, and community organizations to support Scouting.

## We Need Your Support

Your gift to support the Scouting program brings the opportunity of Scouting to more boys, young men, and women. Scouting is truly a family activity and a community asset. We need the Boy Scouts of America now more than ever. Your \$175 donation will sponsor one youth, and \$350 will sponsor two. Thank you for helping build tomorrow's leaders... today!

## Local Scouting Highlights

- 77 Boy Scouts achieved the rank of eagle scout and collectively provided over 65,000 volunteer hours of community service to local organizations.
- Summer camp attendance totaled over 1,300 participants.
- Over 200,000 days and nights of camping at Camp Tuscarora and Camp Barton; which includes summer camp, district events, unit camping and cub scout camping weekends.
- The council provided over \$25,000 in financial assistance to low income families in the form of camperships, uniforms, and books.
- Over 68% of our units were recognized with the National Centennial Quality Unit Award for outstanding unit programs.
- Operated six day camp sessions for 302 youth, at camps located throughout our council.
- Achieved Centennial Quality Council recognition for the fourth year in a row.

Not since our merger thirteen years ago has our council had a stronger vision for the youth of our area. From our youngest first grade cub scout to our college bound Venturers we are 100% committed to continue to provide an affordable value based program that molds and shapes the future leaders of our country.

Thanks to the generosity of numerous donors we can continue to provide a scouting program that is affordable for our youth, provides resources and training for our leaders and each year reaches out to another generation of our youth. It is with pride that we carry the name Baden-Powell and with your continued support we will continue the legacy of our founder.
