Note: All facilities are completely closed to visitors during Deer Hunting Season which is usually the 3rd and 4th weekend of November. If you are interested in visiting Tuscarora during this time period, please call the Camping Secretary to ensure that the weekend when you would like to come is not during hunting season.

The Nature Lodge is located on the north end of Summit Lake, directly across from the Climbing Tower and Mountain Board hill. We recently completed a \$20K upgrade which includes all new modern up-to-date flooring, kitchen/bathroom renovations, lighting/ventilation, and sheetrock repairs/paint. Rentals can be made any time except during hunting season (and resident camp 15 Jun - 15 Aug) which is typically the weekend prior to and the weekend after Thanksgiving

(including the 5 days in-between). Special arrangements are possible; please contact the Council Office. Hot/cold running water and bathrooms w/flush toilets & showers are available from approximately Apr 15th thru Oct 15th (weather dependent). Cold water (for toilets/sinks only) is available from approx. Oct 16th thru approx. Apr 14th. Water is treated and safe to drink 365 days/year.

There is a small kitchen w/stove top & oven, fridge, microwave, etc. No indoor cooking is permitted, except on the kitchen stove/oven (bring your own cooking gear). All other cooking (campstoves, fire, etc.) must be done outside. The Lodge is furnished with rustic Adirondack-style furniture; please treat it with care! Additional tables are located on the back porch. There is plenty of firewood for the woodstove to keep everyone cozy and warm on a cold winter's night! A fire ring is available out front as well.

Treat your Troop, Pack, Crew, Post or other organization to a nice winter get-away at our Nature Lodge on Summit Lake! Great for non-Scout organizations too!!
