- Independent Study Merit Badges (list found in Leader's Guide and/or scheduled badges that do not fit into an individual Scout's schedule) are offered in the afternoons. Scouts will be provided a location in a program area and will work independently with a Staff member (at times, not consistently) to complete the badge at their own place.
- Evening Programs will be announced daily during Flag.
- Instructional Swim occurs daily and scouts/leaders should talk directly to the Waterfront Director.
- Items in Parentheses indicate the continuation of a multi-period Merit Badge Class.
