How Can You Attend Camp Barton This Summer?

Attend with your **Troop / Ship / Crew** or attend individually as a **Provisional Camper**.
Provisional Campers attend camp without their unit etc., and are placed in a Provisional Troop under camp provided leadership.

Badges at Barton Campership Program

The Campership Program is to ensure that Badges at Barton is available to deserving Scouts who are unable to afford attendance fees as a result of various personal circumstances and or hardships. The program serves as a supplemental method of support as part of a shared effort amongst the unit, the Scouts family, and the granted campership.

Forms are available to download on all Badges @ Barton & Camp Barton platforms

2024 Campership Application

The purpose of the Campership Program is to ensure that Badges at Barton is available to deserving Scouts who are unable to afford attendance fees as a result of various personal circumstances and or hardships. The program serves as a supplemental method of support as part of a shared effort amongst the unit, the Scouts family, and the granted campership.

Scouts who are granted a campership will be placed in a Provisional Troop under camp provided leadership.

SPECIALIZED FULL-WEEKEND PROGRAMS

Aquatics / Waterfront

HELMSMAN

Advanced Sailing Program
Scouts BSA 14 & Older will learn techniques & perform skills beyond the basics of small boat sailing all while using a range of sailing boats such as dingies, hobbies, catamarans, cruisers & sloops

JET SKI

Personal Watercraft Program
Adventure program for qualifying Scouts BSA to learn the skills, techniques, & safety of PWC while having a blast on Cayuga Lake! Participants must complete the NYS Boater Safety Course

WATERSPORTS

Motor Boating & Waterskiing Skill Development Program
Skill Development program for Scouts BSA ages 14 & Older to work with experienced instructors on boat handling, towing, & skier skills through demonstration of merit badge components

Outdoor Skills / ScoutCraft

SIDNEY WINTER TRAIL

Advancement Program to First Class Rank
Program aimed at advancing first and second year Scouts BSA through First & Second Class Requirements while working with trained instructors. In addition, Scouts will be able to enroll in one merit badge

WOODSMAN

Backwoods Engineering & Advanced Outdoor Skills
Program for Scouts BSA First Class or 14 & Older to challenge higher level Scouting skills through individual & team based problem solving experiences and competitive activities

Nature/Ecology

ENDEAVOR

Advanced Ecology Program
Providing Scouts BSA exposure to a myriad of topics in the natural sciences through utilizing Camp Barton's geographic location to explore sophisticated research institutions, laboratories, parks & museums.

"I DIG CAMP BARTON"

Advanced Archaeology Quest
A multi-session program where Scouts BSA gain first-hand experience through a live professional archaeological dig. Scouts advance beyond the basics of Archaeology & unearth Camp Barton's Cultural History
